

# SHEEPSHEEP

Made with 100% sheep's milk, SheepSheep is aged using the traditional cloth-bound and open-air method.

This method enhances the assertively earthy, slightly fruity, butterscotch flavors of the sheep's milk.

- Firm, natural rind, pasteurized sheep's milk cheese
- Affinage: Aged at 50 degrees and 90% humidity. Each truckle is rubbed with butter, and then hand-turned on a daily basis during the first two months of aging, three times a week for the following two months and then once per week through the remainder of the aging process.
